During one and a half days of the conference we will have a mix of zonal, national and international faculty covering a number of topics of common interest. There is going to be a special video session devoted mainly to cosmetic surgery procedures. Free paper sessions and poster presentations will make the academic content of the conference complete. M.Ch. students and those within five years of passing. M.Ch. can send their papers for CBK best paper award. Amritsar is a popular tourist destination because of Golden temple, Jallianwala Bagh, Durgiana temple and Wagah border. The city is also famous for its delicious food and typical punjabi hospitality.
